

## WHY SELECT TDAHP'S PREPAID DENTAL PLAN **TDA-A200S**?

- Dentists' compensation under the TDAHP dental plan encourages prompt quality dental care with special emphasis on the delivery of preventative/diagnostic dental services
- Specialist dental care is covered and provided at the same low out-of-pocket co-payment levels that you would normally pay your general dentist
- No additional & unpredictable lab fees tacked on to your plan co-payments for semi-precious metal charges and/or full lab fee costs for crowns
- No office visit or infection control charges
- No deductibles
- No claims forms
- No annual or lifetime benefit maximums
- Covers pre-existing conditions
- Covers orthodontics (braces)
- Full time dental director
- Appointment availability
- Arizona company and localized service
